

2019-2020 REGISTRATION FORM

Purpose: To provide leadership, training, and one voice for the Senior Nutrition programs in the State of Florida.

Who We are: Meals on Wheels Florida is a non-profit, state-wide organization joining together Meals on Wheels members and organizations. We are dedicated to eradicating senior hunger and providing nutritious meals to the homebound and seniors of our respective community.

What We Do: MOWFLO is dedicated to fulfilling its vision in three primary ways:

1. **Advocacy-** MOWFLO seeks to advocate on behalf of Florida's senior population, and on behalf of organizations serving nutritious meals to homebound and senior individuals, on both the local and state levels by joining together as one voice.
2. **Education-** MOWFLO seeks to educate the public on the issues of senior hunger and provide training and educational opportunities for its members.
3. **Empowerment:** MOWFLO seeks to empower organizations serving nutritious meals to seniors by developing an active network which can share best practices, beneficial resources, and answers to the questions common to all organizations in its membership.

How Do We Do It: Recognizing its members are spread out across the state, MOWFLO conducts most of its business through one hour conference calls which occur every other month. MOWFLO also holds a membership meeting each year at the annual MOWA Conference. Other sessions which advocate, educate, or empower are scheduled as determined during these times.

Thank you for joining MOWFLO. Memberships are open to Florida-based non-profit providers of home delivered or congregate meals based in Florida. Each organization receives one vote and can name a maximum of two individuals to receive e-mail and other communications. Annual fees are: \$50 for programs with an annual budget less than \$1M. \$100 for larger programs payable in January of each year.

MEMBERSHIP APPLICATION

Organization Name:

Principle Member First Name:		Last Name:		Title:	
Address			City	State	Zip
